JOB POSTING

Primary Care Nurse

The Registered Nurse carries out all nursing duties and works in collaboration with a multi-physician clinic and other members of the primary care team in the planning, organizing and delivery of care to all patients.

Job Specifications:

- Must be capable of functioning as a collaborative member of a multi-disciplinary team.
- Must be sensitive to the cultural issues associated with performing as a health professional in the context of a First Nations Community.
- Must be available Monday through Friday and some evenings.
- Must be responsive, flexible, and an effective communicator in the management of patient needs.
- Must be able to attain a personal rapport with a multitude of health professionals that relate to the primary care practice.
- Must be able to act, intervene, consult and refer appropriately in an emergency or unfamiliar situation in keeping with the collaborative guidelines.

Qualifications.

- Registered Nurse, BScN preferred
- Registration and license to practice in the Province of Nova Scotia
- A minimum of two years professional experience.
- Experience working with First Nations
- Demonstrated leadership, supervisory and organizational skills
- Demonstrated excellence in communication skills
- Ability to travel, valid Drivers License and vehicle
- Computer literacy, essential
- Fluency in Mikmaq, an asset.

Term: Full time/Permanent.

Please forward Resume and cover letter on or before December 31,2021
